**Product Name** Elite Geometry Recycled Stainless Tumbler 16oz

**Description** An elegant glass-like prism effect inside the tumbler, enhanced by the see-through lid with same prismatic design evokes the facets of a flawless diamond. This unique tumbler allows you to enjoy all types of beverages, from liquor to coffee, or even an ice cream sundae! Double-wall vacuum insulation with copper plating ensures that your favorite craft drink, latte or mocktail stays ice cold until the very last sip. The construction also prevents condensation on the outside of the tumbler. On-trend coating. Wide opening for easy filling, cleaning and adding ice. Fits most standard car cup holders. Hand wash only. 16oz.
